Hi Sonja,

I'm going to say that you can be on call as of now. The attorney let me know this morning that he may be looking for a continuance, but he won't know until this afternoon. There is a motion to suppress that is still outstanding, so if something goes tomorrow, I think it will be that.

Thanks,

Melissa

Melissa-

Is the [REDACTED] case still on for trial tomorrow? Just curious as a couple of my other Superior Court cases in Springfield this week were running a little behind schedule. Also, do you want to have me on call, or there at a specific time? Thanks.
